4. Leanna reported that she submitted the documentation requested by the Idding's lawyer, Matt Moore. The lawyers had noticed that there were documents referenced in the meeting minutes submitted and requested them. Also EJ Iddings asked that we get all of the maps available together for the lawyer as well. Leanna will be sending another e-mail to Mr. Moore to request another 60 days to retrieve these documents. Ms. Iddings spoke about the land and talked a bit about some of the history of their land and surrounding area. Leanna stated again that the port and commissioners are a neutral party and would help in any way they can. Also offering the building for a public meeting at a date of their choice. Leanne encouraged them to have more than one if they wanted to get information out to the local residents, to better educate them on what is really happening with the lawsuit.
