Vouchers total: #s: 2016-062 - 2016-074 = \$6758.82 were accepted.

Campground: The campground total collected for May: \$2628.00

2. OLD BUSINESS:

Dedication of campground for the Phalen's is getting closer. Commissioner Soden is getting closer to finishing the sign for posting.

Director Krotzer reported on the campground. Everything is going well. Most campers are really keeping the camp sites clean and leaving them better than found.

Website updated: It is done with a few exceptions like getting pictures and e-mails updated and posted. We will see a new public site soon!

Commissioner Soden commented on how he likes to see the more positive meetings where the community comes to meetings for good things and not just for negative.

Gene Bray stood up and reflected on a great meeting we had when the two girls came and gave a presentation on the history of Dewatto and how wonderful the visual presentation was too.

Mr. Kinnley spoke of some history on the area and of the port. He said there was an agreement long ago between the Port of Dewatto and the North Mason School District concerning land that Sand Hill Elementary was built on. Mr. and Mrs. Kinnley reflected on some more history of the area and the local cemetery.

Kelley McIntosh got up to speak: She is running for Commissioner #1 for Mason County. She was well received. She gave us some personal and professional history of herself and answered some questions. She left us all with some signs for our yards!
