Suggested Items for Possible Port Discussion/Action:

- Need another Comprehensive Plan Meeting with all Commissioners on weekend
- Professional or consultant to run meeting
- Copies of current/past Comprehensive Plan made available by hardcopy or on website
- Maps of property that is being discussed especially at Dewatto Bay made available
- Additional park & campground in current Plan
- Campground/Development by Haven Lake and/or Collins Lake
- No more development in the Dewatto area
- Boat Launch
  - Size: Large boats or 12' - 14' boats
  - Road Improvements
  - Parking for cars and trailers
  - Maintain existing floats
  - School property
  - 10 acres owned by DNR
  - Acquiring/Leasing boat launch from Manke
- Derelict Boat Sunk in Dewatto Bay
  - On DNR priority list; DNR gets funding in July
  - Could local resources get boat floating and off the bottom
- Port Building
  - Designation for emergencies and disasters
  - Community Emergency Response Team (CERT) training
  - Helipad in parking lot
  - Market building availability for rent
  - Hold community events/social gatherings such as picnic to meet your neighbors
- Campground
  - Close during burn bans
  - If fires during burn bans, call Sherriff or Fire Department; Port will ask violators to leave and not rent to them again
  - Security patrols
  - Hire summer full time campground host
  - Increase campground fees
  - Set up paying online when reservations are made
